THE MIROLIN® BRAND

The Mirolin Brand has a reputation for enduring quality, innovation and value through an extensive and complete product assortment. Our one piece and multi piece designs offer a bathing fixture solution to meet any home renovation or new construction application.

Our products will be part of your day-to-day life for years to come, which is why we are constantly striving to offer premium innovative bath and shower products.

Our acrylic products deliver quality and durability with trend setting designs that offer great value for generations of enjoyment.

OUR STORY

For four decades, the Mirolin brand has grown and evolved into a Canadian leader, manufacturing innovative and trend setting acrylic tub and shower products.

With our manufacturing facility in Ontario, the Mirolin brand is a national manufacturer in the acrylic tub and shower industry; proudly servicing the new home construction, home improvement and renovation markets Canada-wide. We offer a full product assortment to suit the needs of our customer base coast to coast.

A HISTORY OF SERVICE & EXCELLENCE

Service Excellence

The Mirolin brand prides itself on providing exceptional customer service and after sales support. Our team are highly skilled professionals who deliver product knowledge and training coupled with our dedicated in-house service technicians. We are committed to going above and beyond for your business.

Our Commitment to Quality

The Mirolin brand is committed to on-going improvement and sustainable, ethical practices. Our goals are continued growth, commitment to quality and consistently exceeding our customers' expectations.

At Mirolin, we have made a conscious choice to deliver a better product. We don't compromise on quality because as consumers ourselves, we wouldn't expect anything less.

Embrace relaxation and bathing comfort in the bath.
